Indian Peaks Newsletter October 2022

Resort Data Processing

We are happy to report that we're nearing the final miles in our process & journey of transitioning to new Reservation management software for the Association and we're still planning to roll out the new Homeowner portal system sometime this Fall. We're currently working with the team at Resort Data Processing to transition all history, data, and past records into the new software and with years worth of records it is quite the undertaking.

We're so excited to share this new software with you all when all data has been transferred over. The new system will allow everyone to have all of their account information just a fingertip away as your portal will display your future reservation, revenue from rented weeks, owed balances, etc. Please be looking out for email notification from us in the coming weeks giving you your Homeowner portal access and login information.

Less Sinking, More Sleeping, More Comfort

Following this summer's Annual Homeowners Meeting the Association has decided to replace all Queen sized mattresses at Indian Peaks in advance of the coming winter. This decision was made in consideration of feedback we've received from multiple homeowners & guests who let us know that the sleep number mattresses were uncomfortable or difficult to make comfortable. Changing out these mattresses is just one of the many ways we're working to improve the experience of Owners & Guests at Indian Peaks to ensure your stay is a relaxing Mountain getaway.

We've also partnered with a local coffee shop, The Perk, to add gourmet locally roasted coffee to every condo so caffeine fans can start their mornings off right at Indian Peaks. We aim to continue to find ways to improve the comfort, amenities, and overall experience for all Owners and guests during their time at Indian Peaks.

Paying Dues Online

It's really easy to make a credit card payment online. Please try it if you'd prefer not to send a check or your credit card info through the mail:

- Go to www.indianpeaks.org
- Under the "Owners" tab on the left-hand side of the screen, click on "Pay Dues Online"
- Click the link under "Pay your Dues Assessment"
- Enter the amount you want to pay and the account number for your week. Your account number is listed on your owners' statement.
- Enter the credit card and billing information requested.
- Enter an email address. This way a receipt of payment will be sent your way.
- Click on "Process Payment" and you're done!

Thank You for Your Help

The staff of Indian Peaks wants to express our thanks to owners who have helped us stay safe these past year by following the COVID-19 guidelines put in place. We are happy to see the world starting to get back to some pre-pandemic sense of normalcy and hope to be able to greet everyone in person with a smile soon. We look forward to seeing you when you come and stay.

Kyle, Meredith, Kathy, Deb, Jennifer & Mark at Indian Peaks
