October 2015 ...

Silver Crown Resort

Indian Peaks has again been designated a Silver Crown resort by RCI for 2016. This is our third year in a row!

High marks from guests mean two things to owners: their own stay will be comfortable and their trading power is high. And we do it economically. Your timeshare dues are \$600 per year. Did you know the average southwestern dues are over \$800?

Changes & Updates at Indian Peaks

We got a lot done in the last year. Every unit has new electronics, including TV's and streaming blu-ray DVD players. So bring your Netflix and Amazon Prime passwords! We even added faster speeds to our wi-fi to meet the demand.

All the units have new sofa/ sleepers, chairs and ottomans, along with new artwork to freshen the appeal. Prints of local scenes by local artists were selected to create a sense of attachment to the area.

All rear deck rails and entry stairs updated to modern 4" code requirement. All exterior stair treads rebuilt to 7" or less height. This was an important renovation that brought us into building code compliance, increased ease and safety while greatly reducing our accident potential and liability.

The landscaping behind building B is completed now. Accomplished with the drainage repair behind and under the building, we seized the opportunity to turn that area from a muddy ditch into an attractive, comfortable area. The new plantings are taking hold and owners who have seen it have overwhelmingly positive comments about it. It adds a very satisfying dimension to that "first impression."

Our roofs are the only thing between us and 400 inches of snow! They are aging but we have kept up on the maintenance and they continue to hold up well. This year saw numerous repairs and resealing of all the joints and edges. Nobody wants a leak to spoil their trip.

Check-In & Late Arrivals

On-Site Check-In is from 4 – 6pm on Fridays. Late arrivals can call ahead (970) 363-7149 for the check-in lockbox combination 3 to 5 days prior to arrival.

Call Your Exchange Company First!

They call us to be sure the week, unit and dues are current and correct. We confirm the details and you're off to Fiji! Assuming that's where you wanted to go, of course.

Don't Miss Your Week!

For a \$50 fee, you can swap your week for any week available in association inventory. There's a new rise of no-membership exchange companies – compare them all on our website at www.indianpeaks.org.

When's My Week?

Do you ask yourself that every year? Find the timeshare calendar at www.indianpeaks.org and put that question to bed! It even shows the dates for each week for the next couple of years, so you can plan ahead.

It's not just for skiing any more. The nearby ski area has many exciting winter activities, including skiing, snowboarding, snowshoeing, ski biking, NEW tubing area, snowcat tours and scenic views!

www.playwinterpark.com

Visit the Fraser Valley through the Winter Park and Fraser Chamber of Commerce listings and activities to get the best memorable moments from your vacation.

www.grandlakechamber.com

A visit to the valley isn't complete without a trek to Grand Lake in the winter! See a holiday musical at Rocky Mountain Repertory Theatre, ice fish on the lakes, snowmobile and be sure to head into Rocky Mountain National Park for a quiet winter adventure.

DON'T MISS YOUR WEEK!

Now that check-in is on site, we don't send out keys, so you have to be responsible for knowing when your week falls. The number after the dash in your account code is the number of your week. In other words B102-32 is week 32. There is a week's calendar available at the website, located at www.indianpeaks.org so plan ahead. Use your week!
