

Try to attend our annual meeting at the Marriott Courtyard Indianapolis Airport Hotel located at 2602 Fortune Circle East, Indianapolis, IN 46241. Call their reservations at (800) 321-2211 to reserve a room – mention Indian Peaks for a special rate on a reserved block of rooms. Lunch follows. If you plan to attend please indicate your lunch numbers on the return proxy.

Check your week! They shift due to leap year and the periodic week 53, so you could find your week eight days different than last year! Some owners have shown up a week early or late because of that. A new calendar is attached, check your dates. Also find the calendar on your website:

<http://www.indianpeaks.org/files/calendar.pdf>

We had quite a successful rental program this year. If you aren't using your week, we might be able to rent it. We split the net revenue, owners receive 60%. Details on the Rental Use program are available on our website under the Rentals & Sales tab

<http://www.indianpeaks.org/rentalprogram.htm> If you have any questions please call or email Kathy. She is in the office Thursday 9am to 5pm and Friday 10am to 6pm. Curious about our rates or nightly minimums during your week? Check out our listings on VRBO

We work hard for our owners. Be sure you know all the services we provide beyond clean, comfortable lodging. Want to bring friends and need more space or maybe the kids want to try snowboarding? Owners can rent additional weeks for only \$660! Also \$660, we'll add a red week to your exchange account. Can't make your week? We'll transfer weeks internally for only \$50.00?

Want another week to deposit in your exchange account?

Skip that busy summer week and join us this fall for a relaxing retreat! Contact Kathy with your requests. All weeks are subject to availability on a first come-first served basis.

Coming soon: In October, we'll provide the opportunity to pay annual dues in one payment of \$660 if you prefer. Or you can remain on the traditional payment schedule of October, February and June.

New roofs on all the buildings and sheds! Roofs are important in the Rockies. We made sure we got good ones and fair pricing to boot!
