

30th Annual Reunion ...

THE INDIAN PEAKS 30TH ANNUAL REUNION IS HAPPENING SOON!
OUR MEETING WILL BE HELD IN INDIANAPOLIS THIS YEAR!

Traditionally, we've held our annual meetings alternately in the Midwest and at the resort in Colorado. As you know, our last three annual meetings were held at the resort as a money-saving tactic. This year we are inviting you to join us on Saturday, August 13, 2011 from 10am to 11:30 and the following social luncheon, hosted and paid by the resort.

WE'RE MEETING AT:

The Crown Plaza Indianapolis Airport Hotel
2501 South High School Road
Indianapolis, Indiana 46241

The hotel is holding a block of rooms for any of you who wish to spend the night before or after the meeting. Call the hotel reservations department at **(317) 244-6861** and tell them you are with Indian Peaks to get a **special rate**. Cut-off time is July 22, 2011, so make your reservations early. Come join us!

Let us know if you're coming. Please RSVP on our website at www.indianpeaks.org so we may get a proper luncheon count to the hotel. Thanks!

DID YOU KNOW?

We've added new décor throughout:

- New spreads and drapes
- New lighting
- New lamps
- New entry locks
- New dining room chairs
- New barstools
- Much more!

YOUR ASSOCIATION NEEDS YOU!

Your current board of directors combined has contributed nearly a hundred years of service to Indian Peaks and the owners. Many of them wish to retire from the board. Today our association is well-run. Our facility and our finances are in the best shape they've been in since it was built. Our financial information is presented clearly and understandably and the job of director has become one of oversight to see these things stay this way.

The job consists of digesting the monthly reports from our manager and providing any feedback from the owners' point of view. Quarterly business meetings are usually via conference call and the board is reimbursed for any travel and authorized expenditures.

If you have experience:

- On the board of directors of a corporation or a non-profit, such as a church or school board
- A background related to the operation of a business
- Or if you simply love Indian Peaks and would like to get more involved

Please send a letter of interest to: Indian Peaks, P.O. Box 66, Winter Park, CO 80482
or better yet, introduce yourself at the meeting!

USE YOUR WEEK!

Don't let it pass without getting your money's worth! Be sure to do one of the following:

- Use it. It's the perfect vacation getaway!
- Trade it. There are lots of great places in the world to visit.
- U-Rent it. Rent it yourself. Let it be known that you have this fabulous timeshare just a few miles outside Rocky Mountain National Park and right next to the 5th largest ski mountain in the U.S. Mention the following in your sales pitch:

- Moose - Elk - World-class fishing/skiing - Mountain Bike Capitol of the U.S.

If you rent it yourself, you need to do two things:

- Collect the money yourself using reasonable precautions. Suggested rates are a range between \$750 per week to \$1,875 depending on the time of the year.

- Let us know in writing who to expect as your guest.

- We-Rent it. Let us try to rent it for you. See the details and contract on the website www.indianpeaks.org
- If you can't use your week at its scheduled date, inquire about an in-house trade. For a \$50 fee, we'll swap your reservation into any available association-owned week. Again, look for details on the website, www.indianpeaks.org.

EXCHANGES

You do not need to contact the resort if you want to exchange. Call directly to your exchange company and they will contact us on your behalf.

ACCOUNT CODES

Your account code contains your week and unit number. The first two digits are 00. The next two digits are the week you own that ties to the exchange calendar. The next digit is a 1, 2, or 3, representing buildings A, B, and C, respectively. The last two digits, separated by a 0 are your unit number. Example: 0004213 would be week 4, unit B 103.
