Your resort is very busy in the spring when we clean the units from top to bottom. All the appliances are inspected, moved and cleaned behind; carpets, drapes and upholstery are all cleaned, inspected and repaired; all the wood in the unit is cleaned and oiled; interior painting and touch-up is done ... a list that goes on for five pages of detail. We take pride in what we do so you can take pride in Indian Peaks.

What's not to like about Indian Peaks? Winter owners are right around the corner from world-class skiing along with the finest winter activities in Colorado; summer owners have the magnificent Rocky Mountains at their fingertips and spring and fall owners have the quiet solitude and relaxation in their secure, well-appointed two-bedroom unit, theirs for a full week at the same price of 2 or 3 nights in a nice roadside motel.

WHEN'S MY WEEK?

Weeks change dates slightly each year. That's why we keep an updated timeshare calendar on our website for your easy reference. Check it out online: www.indianpeaks.org

DON'T MISS YOUR WEEK! 🔍

Now that check-in is on site, we don't send out keys, so you have to be responsible for knowing when your week falls. The number after the dash in your account code is the number of your week. In other words B102-32 is week 32. There is a week's calendar on the website, so plan ahead. Use your week!
